OVER WATER, OUT OF POWER

Over the last 18 years, there have been many events I could have written about. Most would probably be good reads, but one in particular sticks out — the infamous dual-engine rollback in a UH-60A over ALANA intersection just south of the Honolulu VOR.

MERGE RIGHT

A few years ago, my family and I drove from North Carolina to Florida to visit my in-laws for the holidays. As we made the roughly 600-mile, 10-hour trip, I was reminded how important it is that people share the road courteously and responsibly.

STRANDED IN THE TUNDRA

As Jim and his guide rode their ATVs down the trail, they got separated. Instead of waiting for the guide to catch up, Jim kept pushing on, thinking he could find his own way. After going some distance, however, Jim got lost.

READY...OR NOT?

Ready ... or Not? is a call to action for leaders, Soldiers, Army Civilians and Family members to assess their "readiness" for what lies ahead—the known as well as the unknown.

Throughout our professional and personal lives, events happen all around us. We are often able to shape the outcome of those events, but many times we're not. Navigating life's challenges is all about decision-making.

So are **YOU** ready ... or not?
